DUCK and DECANTER®

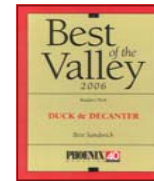

NOONER MENU

Duck and Decanter is a local, family-owned specialty food, beverage and retail pioneer.

The *Washington Post* has called it "a wonderful gourmet dell" and Phoenix area customers have been calling "the Duck", as it is affectionately known, their "home away from home" for nearly 40 years.

We feature freshly prepared award-winning sandwiches (known as "Nooners") and a variety of fare from original recipes including soups, salads, specialty trays and desserts.

All of this is prepared and served by a caring and friendly staff. It is our mission to provide the highest levels of service to our customers and to purvey products that are unique and are of superior quality.
