ABOUT THE DUCK

Duck and Decanter is a local, family-owned specialty food, beverage and retail pioneer.

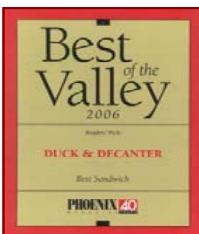

The *Washington Post* has called it “a wonderful gourmet deli” and Phoenix area customers have been calling “the Duck”, as it is affectionately known, their “home away from home” for over 35 years.

We feature freshly prepared award-winning sandwiches (known as “Nooners”) and a variety of fare including soups, salads, specialty trays and desserts – all made from unique and original recipes.

All of this is prepared and served by a caring, friendly and committed staff. It is our mission to provide the highest levels of service to our customers and to purvey products that are unique and are of superior quality.
